I think they start at 9, but there doesn't seem to be clear consensus on when to start the march from Freedom Plaza. What's going to happen is some conservative celebrity is just gonna start marching and everyone will follow.

As a swamp dweller, that orange zone needs to stretch East with 50 and then Benning being the southern border.

All the way to the edge of the map? And what about anacostia, I've gotten conflicting reports of hoodrigger and gentrification.

Pretty much. Right next door is PG county in Maryland, which is pretty terrible. Annocostia is pretty dangerous with pockets of gentrification, but usually pretty woke gentrification.

Anacostia is full of white hating racist woke white pople and riggers. The most dangerous ones are the white hating racist woke white pople who truly hate white men especially white masculine men.

Make sure you don't get blocked, rerouted or kept out. You MUST go through any blocks at any cost.

That Patriot zone seems a little small. It should also encompass the White House, forming a buffer between Antifa and the WH.

Anitfa ought to be restricted to GW. university.

Capitol Hill ought to be shaded in yellow as well.

Just sayin'.....
